

# Teens:

- Do you want to help elementary students succeed in school?
- Do you want to get involved at the library?
- Do you need community service hours?

Become an Amigos tutor! Amigos de la Biblioteca is a tutoring program at the North County Regional Library branch of the Charlotte Mecklenburg Library. Our mission is to provide tutoring aid for ESL (English as a Second Language) children. The program trains middle and high school students to tutor elementary school children once a week at the North County Regional Library in Huntersville. Amigos tutors help children in reading, writing, and homework in general. Parents and children also have an opportunity to discover library services and resources available to them.

**Amigos de la Biblioteca Service Club binds cultures through learning!**

**Amigos tutoring is held on Tuesdays from 4:00pm-5:15pm from December 3—May 27**

To become an **Amigos Tutor** or for more information, please contact:

**Molly Collins, Teen Librarian**
